Town of Digby Interim Tax Billing

Please be advised that the Town Council of the Town of Digby has adopted an interim Tax Billing Policy. This policy will take effect on April 01, 2009. The Town of Digby will be sending two tax bills an interim and a final tax bill per year as opposed to the one tax bill that was sent out in previous years.

The two tax bills will be sent out as follows:

In each fiscal year an **interim bill** in the amount of $\frac{1}{2}$ of the current year's assessment times the tax rate levied in the previous fiscal year shall be sent out on or before April 30th. The interim bill is due and payable on May 30th. Interest penalties on past due interim bills commence on July 1st.

A **final bill** based on the rates and taxes levied against the property for the current fiscal year, less the payment made of the interim bill, shall be sent out on or before September 30th. The Final bill is due and payable on October 31st. Interest penalties on past due final bills commence on December 1st.

The Town is issuing interim bills because of financial obligations that must be met prior to the approval of the annual operating budget.
