

Pursuant to Section 171 and 172 of the Municipal Government Act, BE IT ENACTED
by the Council of the Town of Digby as follows:

1. (1) This By-law shall be known as the Minimum Rental Housing Standards By-law. It shall apply to all rental housing units within the Town of Digby.
- (2) Where a provision of this By-law conflicts with the provision of another by-law in force within the Town, the provision that establishes the higher standards to protect the health, safety, and welfare of the general public shall prevail.

MINIMUM RENTAL HOUSING UNITS STANDARDS BY-LAW # 2015-01

1. Every owner of a rental housing unit in the Town of Digby shall maintain the rental housing unit in accordance with the standards set out in Sections 7, 8 and 9 of this By-law.
2. Every occupant of a rental housing unit in the Town of Digby shall maintain that portion of the rental housing unit within his exclusive possession in accordance with the standards in Section 10 of this by-law.
3. Every erection, repair or alteration made to any rental housing unit in the Town of Digby shall comply with the provisions of the Building By-Law #2015-02.
4. The standards of this By-law are minimum standards and this By-law shall not be construed so as to lessen the requirements prescribed for rental housing units, construction repairs, alterations or any other thing contained in any other Town of Digby By-Law.
5. In this by-law:

- (m) "owner" includes:
 - (i) a person who is entitled to possession as tenant in fee simple;
 - (ii) a mortgagee in possession;
 - (iii) where the mortgagee of land is not in possession the person entitled to the equity of redemption;
 - (iv) a person managing or receiving the rent of the land or premises, whether on his own account or as agent or trustee of any other person;
 - (v) a person who is assessed for the rental housing unit on the assessment roll of the Town as of the date of alleged violation.
- (n) "person" includes any person, male or female, and any body corporate and any partnership;
- (o) "repair" includes the taking of such action to bring any property under the jurisdiction of this by-law up to the standards set by this by-law;
- (p) "yard" includes an unoccupied space on the same lot with a rental housing unit extending along the length of the street, rear lot line or side lot lines.

STANDARDS FOR YARDS AND ACCESSORY BUILDINGS

6. (1) YARDS

Yards shall be kept clean and free from thistles and noxious weeds.

(2) SEWAGE AND DRAINAGE

(a) Sewage or organic waste shall be discharged into the Town sanitary sewer system where available, otherwise into a private sanitary sewer system approved by the Nova Scotia Department of the Environment.

(b) Adequate surface water drainage shall be provided over the whole area of the property together with suitable arrangements for its disposal without erosion.

(3) WALKS, STEPS, DRIVEWAYS AND PARKING AREAS

Steps, walks, driveways and parking areas and similar areas of a yard shall be maintained to afford safe passage under normal use and weather conditions.

(4) GARBAGE ENCLOSURES

Every rental housing unit shall be provided with a garbage enclosure which shall be maintained in a clean and sanitary condition.

(5) ACCESSORY BUILDINGS

Accessory buildings shall be maintained in good repair and free from hazards or conditions which may affect health or cause fire or accidents.

STANDARDS FOR RENTAL DWELLINGS UNITS

7. (1) FOUNDATIONS

Foundations shall be masonry, concrete or other acceptable material and designed to adequately support the loads imposed.

Foundations shall be free of open cracks and defective mortar joints or masonry.

(2) BASEMENTS AND UNHEATED CRAWL SPACES

Every basement, cellar, crawl space and similar space shall be adequately ventilated to the outside air and adequately drained.

(3) **STRUCTURAL SOUNDNESS**

Structural components of a rental housing unit shall be free from serious deterioration, loose jointing, sagging or bulging and shall be capable of sustaining safely the weight of the rental housing unit and any load to which it may be normally subjected.

(4) **DAMPNESS**

The interior floors, ceilings and walls shall be kept free from dampness arising from the entrance of moisture through an exterior wall or roof or through a cellar, basement or crawl space floor.

(5) **PEST PREVENTION AND CONTROL**

A rental dwelling unit shall be kept free of rodents, vermin and insects at all times, and appropriate extermination measures shall be taken as necessary.

(6) **ENCLOSED SPACE ACCESS - ACCESS AND VENTING**

An access opening of at least one foot ten inches (1' 10") by two feet six inches (2' 6") shall be provided, when required, to attics, crawl spaces and other enclosed spaces. Where mechanical equipment is enclosed the access opening shall be sufficiently large to permit the removal and replacement of equipment. Enclosed attic, roof and crawl spaces shall be vented to the exterior.

(7) **FLOORS**

Every floor shall be reasonably level and smooth and maintained in good condition. Resilient or non-absorption floorings or the equivalent shall be provided in bathrooms, kitchens and laundry rooms. Where flooring has become worn, damaged, cracked or holed or is an accident hazard it shall be repaired, replaced, or removed.

(8) **EXTERIOR WALLS**

Exterior walls and their components shall be adequate to support the loads imposed upon them and shall be maintained to prevent their deterioration due to the weather or insects. All exterior walls shall have an acceptable cladding or covering, free of holes, cracks, or excessively worn surfaces, to prevent the entry of moisture into the structure and provide reasonable durability.

(9) **INTERIOR WALLS AND CEILINGS**

Every wall and ceiling finish shall be maintained in a clean condition free from holes, loose coverings or other materials or defects which may increase the spread of fire. Where fire resistant walls exist between separate dwelling units, they shall be maintained in a condition which retains their fire resistant quality. Load bearing walls or columns shall be adequate to support the loads imposed upon them.

(10) **ROOVES**

All roof construction components shall provide adequate support for all probable loads, and form a suitable base for the roof covering. A roof including the fascia board, soffit, cornice and flashing shall be maintained in a watertight condition so as to prevent leakage of water into the dwelling"-"

(11) **DOORS**

Existing doors and frames shall be in sound condition and operate satisfactorily. Entrance or exterior doors in dwelling units shall be capable or being locked from both inside and outside.

(12) **WINDOWS**

Windows including hardware shall provide acceptable light and ventilation, operate satisfactorily and be in an acceptable condition with no loose glass, defective putty or hardware, sashes and frames to be in sound condition.

(13) **PORCHES, STAIRS AND BALCONIES**

Every porch, stairway or balcony in or appurtenant to a rental housing unit shall be maintained in good repair, free from holes, cracks, excessive wear and defects which constitute a safety hazard. Stairs and balconies to have appropriate handrails or safety rails of at least three feet high.

(14) **EGRESS**

1. Every dwelling or dwelling unit within a rental housing unit shall have a safe, continuous and unobstructed passage from the interior of the dwelling or dwelling unit to the exterior and shall not pass through a room contained in another dwelling.
2. Bedroom window egress shall be in compliance with the dimensions and terms of the National Building Code 2010.

(15) **HEATING**

Every rental housing unit shall be equipped with a suitable heating system capable of maintaining an indoor temperature of 12 degrees C. The heating system shall be maintained in good working condition so as to be capable of heating the rental housing unit safely to the required standard. Where a heating system or part thereof or any auxiliary heating system or unit burns solid or liquid fuel, a place or receptacle for storage of the fuel shall be provided and maintained in a convenient and safe location free from fire and accident hazards. Fuel fired heating appliances shall be located in areas and locations so as not to create a fire or accident hazard or obstruct an egress from a dwelling or dwelling unit. Chimneys, smoke pipes, connections, etc. shall be maintained in good working order and be capable of conveying spent gases to the exterior of the rental housing unit safely.

(16) **ELECTRICAL SERVICES**

Electrical facilities shall comply with the standards of the Canadian Electrical Code 2015 part of the National Rental housing unit Code, 2010 and which forms part of the Building By-law # 2015-02 of the Town of Digby.

(17) **PLUMBING**

All plumbing, pipes, fixtures, etc. shall be in sound condition. All water pipes and appurtenances thereto shall be protected from freezing. The plumbing system shall provide satisfactory hot and cold water supply, drainage, venting and operation of fixtures.

(18) **LIGHT AND VENTILATION**

- (i) Every habitable room shall be provided with one or more windows facing directly on a street, yard or court, or a system of mechanical ventilation acceptable to the rental housing unit inspector may be used in lieu of such window or windows.
- (ii) Every bathroom or room containing a toilet or urinal shall be provided with ventilation by means of one or more windows facing upon a street or court or yard or airwell; or by means of one or more windows opening into a vent shaft which extends to and through the roof or into a court, yard or airwell; by means of a separate duct or noncombustible material not less than twelve square inches in cross-section, which extends independently of any duct used for other purposes, to and through the roof, or by ventilating sky light, or by such other approved means of mechanical ventilation approved by the rental housing unit inspector.
- (iii) The aggregate area of glass in windows required in all rooms shall not be less than eight percent of the floor area of the rental housing unit.
- (iv) All windows required by this by-law for purposes of ventilation shall be capable of being opened to an extent of at least thirty percent of the glass area required for such windows. Nothing in this clause, however, shall be deemed to require double windows or storm windows to be installed so as to permit them to be open as herein provided, unless such ventilation is required by the rental housing unit inspector.

(19) **TOILET, KITCHEN AND BATHROOM FACILITIES**

Every rental housing unit shall be provided with at least one kitchen sink, water closet, wash basin and bathtub or shower, connected to a piped supply of potable water and an acceptable means of sewage disposal.

(20) **BATHROOMS AND TOILETROOMS**

All bathrooms and toilet rooms shall be located within easy access to the rental housing unit and shall be fully enclosed and have a lockable door to provide privacy, where accessible to the public. Where practicable, a wash basin shall be located in the same room as the water closet.

(21) **KITCHENS**

Every rental housing unit shall contain a kitchen area equipped with a sink, served with hot and cold running water, storage facilities and a counter top work area. Space shall be provided for a stove and a refrigerator.

GENERAL

8. (1) **SHARED FACILITIES**

Where a rental housing building contains more than one rental housing unit and heating, storage, refuse disposal and other facilities are shared, renovations, alterations and repairs shall satisfy the requirements of the National Building Code, 2010 edition, forming part of the Building By-law #2015-02 of the Town of Digby.

(2) **FIRE PROTECTION**

All construction materials shall satisfy the requirements of the Residential Standards of the 2010 edition of the National Building Code forming part of the Building By-law #2015-02 of the Town of Digby in order to retard the spread of fire and prevent the passage of flame, smoke and hot gases through open or concealed spaces within the rental housing unit. Sufficient exits from the rental housing unit shall be provided to assure safe egress in case of fire.

OCCUPANTS STANDARDS

9. (1) All parts of a rental housing unit which are occupied by a person other than the owner as defined herein and which are in exclusive possession of the occupant as defined herein, shall be kept free from rubbish, garbage and other debris, objects and conditions that are health, fire or accident hazards.
- (2) All garbage, rubbish and other debris shall be placed in suitable wet proof containers, properly fastened and stored in garbage enclosures provided by the owner. Loose papers shall be bundled and tied so that they can be easily handled and not blow away.
- (3) The occupant of a rental housing unit shall maintain a safe, continuous and undisturbed passage from the interior of the rental housing unit to the exterior of the rental housing unit.
- (4) Cooking, heating and domestic hot water equipment owned and installed by the occupant shall be maintained in good working order and repair.

- (5) The occupant shall not use any area of the rental housing unit under his care or control for sleeping purposes which is a non-habitable room.
- (6) The occupant shall not prepare or store food in a room containing a urinal or water closet.

(7) **MINIMUM SPACE AND ROOM DIMENSIONS**

No part of a rental housing unit except a habitable room as defined herein shall be used for sleeping purposes. A room used for sleeping purposes shall have a floor area of at least sixty square feet and shall have at least forty square feet of floor area for each occupant of the age of twelve and over and at least twenty-five square feet of floor area for each occupant under the age of twelve years occupying such rooms provided.

ENFORCEMENT

10. (1) Whenever the building inspector or by-law enforcement officer determines that there are reasonable grounds to believe that there has been a violation of any of the provisions of this by-law, he shall give written notice of such alleged violation to the owner or occupant as the case may require of the rental housing unit containing such violation as hereinafter provided. Such notice shall:
- (a) contain a statement of the point or points of noncompliance with this by-law; and
 - (b) fix a period of time in which such owner or occupant as the case may require must complete whatever remedial action is necessary to eliminate the point or points of non-compliance with this by-law and if the remedial action is completed within the required time, then the non-compliance with this by-law shall not be an offence.
- (2) The Building Inspector or By-law Enforcement Officer may, for the purpose of ensuring compliance with this By-law, enter in or upon any land or premises at any reasonable time without a warrant.
- (3) In the event of the failure of the owner or occupant so served with a Notice from the building inspector or the by-law enforcement officer to remedy the violation described in the notice within the fixed time period the building inspector or by-law enforcement officer may;
- (a) enter upon the property without warrant or other legal process and carry out the work specified in the order, including undertaking or directing the remedying of a contravention, apprehending, removing, impounding or disposing, including the sale or destruction, of plants, animals, vehicles, improvements or other things and charging and collecting the costs thereof as a first lien on the property affected.

- (b) Except in an emergency, the building inspector or by-law enforcement officer shall not enter any room or place actually being used as a dwelling without the consent of the occupier unless the entry is made in daylight hours and written notice of the time of the entry has been given to the occupier at least [24] twenty-four hours in advance.
 - (c) If a person refuses to allow the building inspector or by-law enforcement officer to exercise, or attempts to interfere or interferes with the building inspector or by-law enforcement officer in the exercise of a power pursuant to this by-law, the building inspector or by-law enforcement officer may apply to a judge of the Supreme Court of Nova Scotia for an order to allow the building inspector or by-law enforcement officer entry to the building and an order restraining a person from further interference.
 - (d) issue a By-law Violation Notice under the terms of Payment in Lieu of Prosecution Policy of this By-Law, and who is given notice of the contravention, may pay to the Town of Digby, at the place specified in the notice, the sum of *fifty (\$50.00) dollars* within 14 days of the date of the notice and shall thereby avoid prosecution for that contravention.
- (4) Any person who contravenes any provision of this By-Law (notwithstanding Subsection (3) above) is punishable on summary conviction by a fine of not less than *one hundred (\$100.00) dollars* and not more than *five hundred (\$500.00) dollars* and to imprisonment of not more than *30 (thirty) days* in default of payment thereof.
