WELCOME TO SUMMER!

Summer starts with a bang with "Lobster Bash". Many favourites are returning including Cookie the Clown, Lobster Trap Building Demo, Washer Toss, Jet ski Races and plenty of live music plus much more. This festival celebrates and promotes the lobster industry of the entire Sou'West of Nova Scotia!

There's something for the whole family to enjoy, not to mention plenty of that tasty crustacean.

Summer wouldn't be complete without Digby's original festival "Digby Scallop Days".

This year Scallop days runs from August 10th to the 13th.

There are some new additions this year including the 1st annual Food Truck Party and the return of many fan favourites too. The 2k/5k/10k Fun Run, the Grand Street Parade and loads of activities for the young and young at heart.

"Wharf Rat Rally" was originally an event to bring together riders of all types in a family friendly environment. Since its beginning the Rally has grown to host hundreds of riders & bike enthusiasts.

This year promises to be no exception and will feature entertainers, dancers, custom builders, and talent from near and far.
